**Reg. No. 7,673,920**

**Registered Feb. 04, 2025**

**Corrected May 06, 2025**

**Int. Cl.: 9, 41, 42**

**Service Mark**

**Trademark**

**Principal Register**

Mo-Sys Engineering Ltd (UNITED KINGDOM Limited Company)  
Thames Bank House,  
Tunnel Avenue London SE10 OPA  
UNITED KINGDOM

CLASS 9: Cinematographic equipment in the nature of cinematographic cameras, camera robotics in the nature of robotic camera mounts, broadcast robotics in the nature of robotic camera mounts, robotic tilting or panning heads for cameras, tilting or panning heads for cameras, film remote tilting or panning heads for cameras, camera tracking systems comprised of apparatus for tracking the position or direction of a camera, and remote production systems comprised of computers and computer terminals for performing video production and remotely controlling cameras, camera pan-bars; photographic equipment in the nature of photographic cameras; cinematographic and photographic apparatus and instruments, namely, cameras; apparatus, equipment and instruments for editing film and cinematographic film, namely, editing machines for movie films; cameras; microphones; raster image processors; postprocessors for video and image data in the nature of video processors; camera controllers in the nature of remote controls for cameras, motorized rails in the nature of support rails for mobile cinematographic equipment; user interface devices for controlling cameras, camera focus controllers and camera booms, namely, computer interface boards; display equipment and interfaces, namely, computers; televisions; display walls in the nature of flat panel display screens; green screens in the nature of projection screens; location estimating devices for cameras in the nature of proximity sensors and camera tracking systems comprised of optical positioning systems, radio positioning systems or satellite positioning systems in the nature of global positioning systems; downloadable computer software for cinematography and photography; video rendering apparatus, equipment, software and applications, namely, cameras and video projectors and downloadable computer applications for cinematography and photography; downloadable computer applications for virtual production relating to mixed reality filming, LED volume filming, virtual production filming and rendering; computer applications, downloadable, for virtual production; downloadable computer applications for virtual production relating to mixed reality filming, LED volume filming, virtual production filming and rendering products; equipment and computer applications relating to rendering services which relate to cinematographic, filming, photographic and video products and services, namely, broadcast robotics in the nature of remotely controllable cameras, remotely controllable camera mounts, telepresence robots and optical camera tracking technology in the nature of monitoring devices for monitoring camera movements, computer hardware and recorded software for virtual production sold as a unit; downloadable computer game software; downloadable computer graphics; parts and fittings for all the aforesaid goods

CLASS 41: Cinematography and filming services; photography, video recording and photographic imaging services; photographic and cinematographic film developments services, namely, multimedia entertainment services in the nature of development

*Coke Moya Smead*

Acting Director of the United States Patent and Trademark Office

services in the fields of video and films, virtual production services in the nature of video production at locations remote from video capture locations and video capture at locations remote from video production locations; videos and movies making, editing and production services; post-processing services relating to video and graphics, namely, post-production editing services in the field of videos and film; mixed reality filming services; LED volume filming services; virtual production filming services; video rendering services in the nature of video editing; rendering services, all relating to cinematography, filming, photography, video and photographic services, namely, video and photo editing; compositing services in the nature of photographic composition for others; VFX compositing services in the nature of production of movie special effects; information and advice relating to all the aforesaid services

CLASS 42: Software as a service (SAAS) services featuring software for virtual production; software as a service (SAAS) services featuring software for virtual production relating to mixed reality filming, LED volume filming, virtual production filming and rendering services; computer graphics design services; information and advice relating to all the aforesaid services

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

PRIORITY DATE OF 06-30-2021 IS CLAIMED

OWNER OF INTERNATIONAL REGISTRATION 1669751 DATED 12-23-2021, EXPIRES 12-23-2031

SER. NO. 79-343,883, FILED 12-23-2021

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
